**Subject:** RE: PIMIS PROJECT

Dear Tushar,

I refer to the contract that was signed between KBS and UBS with respect to the implementation of PIMIS at the National Treasury. This contract remains invalidated as the client – TNT has cancelled the tender and opted to engage directly with us under new terms – in-house. The new terms of engagement will be on the basis

of the meeting you had with the Director in Dubai.

However the client has instructed us to proceed with the remaining milestones( Development & Training) as per earlier arrangement.

For further clarifications on the tender and financial engagements between KBS & UBS regarding the implementation and execution of the contact going forward,

please consult the Director.

Kind Regards  
For Director:  
Kenneth Kadenge

Dear Kenneth,

Find attached our first invoice for PIMIS Project. Kindly process the same, to enable us start the software development activities.

Regards,  
Tushar Yadav

**Subject:** RE: PIMIS PROJECT

Dear Parag

What is the status of the meeting we are meant to have so as to chart the way forward on the PIMIS Project?

Kind Regards  
Kenneth

**Subject:** PIMIS PROJECT

Dear Parag

I wanted to enquire from you if you have any input on the User Requirement Study Report that was submitted to you.

Secondly we need to embark on the development of the PIMS and would like to engage you on the way forward. The client wants us to start development and complete the same in good time as you well know the election in Kenya will be in 2022.

I am requesting for a zoom meeting for us to discuss the development plan.

Regards  
Kenneth
